3B7A St Brandon DXpedition -update

This week two major events occurred and we are very happy to share both of them with you. First of all, we received all papers from the Mauritius authorities and our callsign has been confirmed. You will listen for us as 3B7A next April in your radios!

Then, we are very proud to announce that the Northern California DX Foundation (NCDXF) has joined our project as a major sponsor. By reiterating the trust relationship with our team a great step has been made to reach the overall budget.
