Z60A Republic of Kosovo –update

A new team of G3TXF, IK0FVC, K9JF, VE7NY, DL3DXX, DL5CW and DJ5IW will be at work soon with three radios again as they lost one that had to be replaced. In total, hams from 10 countries will participate in the project's current phase.

Last Sunday marked a wonderful and memorable reception honoring the recent DXCC status of the Republic of Kosovo. Speeches were made by the SHARK president Vjollca, Z61VB, Kosovo's regulator (ARKEP) Chairman, Kreshnik Gashi as well as ARRL Honorary VP Jim, K9JF and IARU's R1 Secretary Hans, PB2T. Their remarks were complemented by words from Project Goodwill's Kosovo coordinator, Martti, OH2BH. All were emotionally touched by this long march of 10-years, further enhancing the original U.S State Department recognition in February, 2008, while now saluting Kosovo's official entry into the DXCC world on an equal basis.
