DX news

An update about Tom KC0W

I've always enjoyed operating from DX locations. Unfortunately the money always going out & nothing is ever coming in while DXing from overseas. Another issue is boredom. DXing is great fun & all but there's more to life than sitting in front of a radio for 16+ hours a day. Wouldn't it be great if one could combine an exotic DX location, a full time job & an easy to acquire amateur radio license?
