South Orkney DXpedition 2020 –update

We appreciate the Northern California DX Foundation's (NCDXF) significant grant of \$30,000(USD) to our project. Their generous grant will help cover the estimated project cost of \$325,000(USD). <https://dx-world.net/south-orkney-islands-dxpedition/>

An offer from Tom KC0W

A few months ago I intended to go DXing from El Salvador (YS) but things changed & I'm now living on the island of Saipan. I prepaid for my accommodation in El Salvador but rather than use the dates at a later time I have decided to offer them up **FOR FREE** to one lucky DX World reader. This isn't just any ordinary QTH. It's the same location the HU2DX team made 45,000+ QSOs from during their DXpedition. You can always relax on the beach if the pileups become too much! <https://dx-world.net/an-offer-from-kc0w/>
