DX NEWS

VP6R Pitcairn Island -update

The CQWW SSB Contest will have a first ever entry from Pitcairn Island on the weekend of Oct. 26th and 27th. A contest contact with VP6R will reward you with a zone 32 multiplier AND a VP6 multiplier. This will be an all band multi-multi effort, 160 through 10 meters. That's 12 possible multipliers.

If you are not in the contest and need a QSO with us, just give us a call with a signal report and your CQ zone in the exchange. We want everyone in our log! Then have some fun and work a few other stations.
